RE: ACCEPTANCE AND PERMISSION TO ACCESS UNIVERSITY DATA FOR RESEARCH

Dear Mr. Kisuule Jackson,

Reference is made to the authorization request for data collection dated 13th April 2026 from the Dean, Faculty of Science and Technology, Victoria University; introducing you as a Master's degree student in Big Data Analytics and confirming that you are undertaking the research project titled "***An Optimized Ensemble Model for Forecasting Student Dropout. A case of The Unity University, Hargeisa, Somaliland***".

The Unity University is pleased to grant you permission to access and use relevant university data for the above-mentioned research purpose, subject to the scope and intent stated in your data collection request and research title. This permission is granted on the understanding that the data will be used strictly for academic research purposes only and in accordance with all applicable ethical, confidentiality, and institutional data protection requirements.

You are therefore authorized to collect, review, and use the necessary institutional data and information relevant to your study from the University, with the support of the appropriate offices and departments, where necessary.

The Unity University wishes you success in your research and trusts that the findings will contribute meaningfully to knowledge and practice in the area of student dropout forecasting in higher education.
